

Youth needs 3 things to fit & for life  
 - It needs discipline, it needs friends  
 & it needs recreation intertwined. -  
 These will help youth itself to make  
 life the means of making life worth while

As we start on our way we carry  
 a basket, to be filled - what we  
 shall depend on life as the end of  
 the journey will depend upon what we  
 gather for our basket. -
